

GLENN D. SASLOW, CPA

Present Position:

Saslow Lufkin & Buggy, LLP
Director, Insurance Practice Group

Director of the Saslow Lufkin & Buggy Insurance Practice Group, specializing in providing auditing and business consulting services to the property & casualty insurance industry.

Extensive experience in serving traditional insurers, mutual insurers, risk retention groups, public entity risk pools and captive insurance companies. Is the lead client service partner on many of the firm's clients and acts in an advisory role for clients in which he is not the lead engagement partner.

Advises clients on alternative risk management strategies and has extensive experience in both GAAP and statutory financial reporting, risk transfer, and insurance company operations.

Also serves a variety of publicly traded and closely held middle market clients including insurance agencies and financial institutions.

Is a frequent speaker on a national basis at various industry conferences on topics such as risk transfer, governance and ethics and Statutory and GAAP financial reporting.

Professional Experience:

Deloitte & Touche
Senior Audit Manager
June 1981 - February 1993

Considerable experience in serving the property and casualty insurance industry as well as middle-market manufacturing companies, many of whom had multiple locations and international operations and/or joint ventures.

Served on a National Task Force formed to deal with transitional issues during the Deloitte Haskins & Sells and Touche Ross & Co. merger.
